Lesson Details:

Each band student will attend a lesson once per week (about 15 per semester). Lessons will be on Monday, Tuesday, or Thursday during the school day. The focus of the lesson time is to introduce new skills (music reading, tone production, hand position, etc.), and to offer individual suggestions for improvement. Lessons will be available for woodwind, brass, and percussion instruments. Students will receive supplemental materials to aid in their progress when necessary. They will also receive help to prepare them for additional performance opportunities, such as Solo and Ensemble Festival. **Students are expected to practice their instrument each week. The weekly target is 100 minutes.**

Large Group Rehearsal Details:

Large group rehearsal is where "band" actually takes place. This occurs after school. All students taking lessons will come together to play music as a group. Two band concerts will take place, one in December and one in May. Rehearsals and concerts will take place at Seton during the fall semester. Rehearsals and concerts will take place at CCA during the spring semester. See the rehearsal schedule for more information.

Attendance Policy

There will be NO REFUNDS for missed lessons. Missed lessons due to illness may be made up if the teacher receives notice by 8:00 AM the day of the lesson. Lessons missed for field trips, vacations, etc. require a minimum of 24-hour notice through email or phone call by the parent. Make-up lessons will be offered at the teacher's discretion. No-shows will NOT be made up. If a planned special lesson schedule is required to accommodate *calendared* days off or trips, students will be notified and retrieved from the class. Lessons missed by the instructor will be made up at a mutually arranged time.

Refund Policy

This contract is for the school year. Withdrawal from the program requires parent, teacher, and principal approval. Beginning students must complete the full year of band before deciding to discontinue the program, as with time and practice playing the instrument becomes easier and more fun. If a student withdraws during the course of a semester, the remaining tuition amount will be forfeited.

More complete information will be sent out to all who register in a Band Handbook. This will be sent home the 1st week of school. Let's make some music!

I would like to sign my son/daughter up for band. I agree to the tuition terms above.
