

2019 SUMMER BAND LESSONS

Some students may be interested in band lessons to continue their learning over the summer. I am available during the six dates at the bottom of the page. Kids are allowed to sign up for as many or as few lessons as they like. If this is something in which your child is interested, continue reading. If not, no big deal. I would also expect there are some students looking forward to a healthy break from scheduled activity.

Summer lessons will be available through Paula Harder at her home on 2620 Pershing Avenue in Sheboygan (near Evergreen Park). A parent or guardian is required to be with the child at the lesson for liability purposes. Lessons will be \$15.00 per half hour. One payment for all summer lessons for which you've registered your child is due at the first summer lesson in which the child is participating.

In the event that a lesson needs to be rescheduled, alert the teacher at least 24 hours in advance. If a last minute conflict arises (illness, for example), alert the teacher as soon as possible.

Below are the following dates which lessons will be available. **Please check off which dates** your child plans on attending a lesson. **List any time conflicts** (swimming lessons, rec department, VBS, inability to drive student to lesson) in the space provided after each date you have chosen. A schedule will be made from the lesson forms that have been returned by the last day of school (June 12) and E-mailed to the address(s) listed on this form.
